

Territo's Opens Fine New Addition; Celebrates Anniversary With Sale

STORE'S SPACE DOUBLED AT COST OF OVER \$5000

Staging one of the greatest food merchandising events held on the peninsula, Joseph R. Territo today opened a large addition to Territo's Super Market, located at 2816-18 Broadway, and at the same time celebrated the first anniversary of the food store.

The addition, which was built on to the rear of the establishment of reinforced concrete construction, nearly doubles the floor space of the store and was completed at a cost of more than \$5000.

The Territo market is composed of four complete departments: grocery, meat, fruits, vegetables and delicatessen. Mr. Territo is the sole owner and general manager of the store.

As his assistants he has the following local men: Richard Wagner, manager of delicatessen department; Thomas Vernal, manager of grocery department; Louis Fano, manager of fruit and vegetable department; and A. C. Joyce, manager of meat department.

Altogether 12 local men are employed, making it one of the most active payrolls in the business district of the community.

The market is operated under the provisions of the NRA and creates additional employment by being open evenings, Sundays and holidays, or a total of 98 hours weekly. Employees are allowed to work only 48 hours per week.

A complete delivery system, with a recently-purchased modern delivery truck, makes quick, efficient deliveries throughout the day. Mr. Phillip Caruso is in charge of the delivery department.

Mr. Territo came to Redwood City three years ago and for two years operated the delicatessen department of the Popular Market. A year ago he disposed of his interests there and opened his own complete market at the present location.

He is a member of the Redwood City Lions Club, the Redwood City Chamber of Commerce, the Eagles, Redwood City Post No. 105, American Legion Drum Corps, and the Young Men's Institute.

Mr. Territo has taken an active part in the civic and commercial life of the community since coming here and plans further expansion to his business when justified by the growth of the business and of Redwood City itself.

Pierhead Line Survey Asked By Supervisors

Welch, McGrath Say
Step Is Necessary
To Protect S. F.

Survey by War Department engineers to establish pierhead lines in San Francisco bay from Hunter's point to Ravenswood point was asked Monday by the San Mateo County Board of Supervisors in adopting a resolution presented by Congressman Richard J. Welch, San Francisco; Congressman John J. McGrath, San Mateo, and Supervisor Andrew Gallagher, San Francisco.

No cost to either San Francisco or San Mateo county will result. The purpose of the pierhead line survey is to establish the channel lines and properly zone the bay frontages for future development.

Supporters of the resolution pointed out that San Francisco has utilized virtually all of its waterfront lands, cannot spread further to the north because it already has trespassed on the presidio and now must look to the peninsula for its future development.

It was pointed out that San Francisco has lost much harbor business as the result of inadequate facilities and must now act to protect itself.

The pierhead survey, Congressman McGrath declared, has nothing to do with the Redwood harbor project. The San Mateo County Harbor District.

Congressman Welch said that persons interested in waterfront development are now "groping in the dark" because of the lack of defined pierhead lines.

Fred H. Drake, San Carlos, also spoke in favor of the proposal.

New R-C Market To Be Opened On Saturday

Ben Demma, pioneer merchant of Redwood City, today announced that he will open the new R-C Market at 2388 Broadway on Saturday. The store will be strictly cash and carry and will feature the very lowest prices.

A complete stock of all kinds of groceries will be carried. As in the past Mr. Demma will feature his fruit and vegetable department with large shipments daily of fresh garden produce.

The name R-C Market was adopted by Mr. Demma as being short, pleasing and easy to remember, designating the initials of Redwood City.

Mr. Demma has operated a large fruit, vegetable and grocery store at 1420 Main street for the past several years and will continue to operate this market as well as the new one.

Capt. Perussina Injured Slightly In Freak Mishap

Injured when the steering gear and brakes locked and caused his car to strike a pole, Capt. Paul Perussina of the state highway patrol office in Redwood City was under treatment Monday for cuts on the face and a bruised chest.

The accident occurred yesterday at Bayshore boulevard and Middlefield road as Captain Perussina was making a left hand turn. A pair of glasses which he was wearing was broken.

Rich Lumberman's Estate Is Filed

Petition for special letters of administration in the estate of John Henry Kruse, pioneer and wealthy San Francisco lumberman, who died at his Hillsborough home Friday, was filed in Redwood City today by his widow, Mrs. Cora B. Kruse.

Although the petition stated merely that the estate is in excess of \$10,000, it was understood that Kruse left a considerable fortune. He was 84 years of age and came to San Francisco 70 years ago. Named as heirs are the widow and six daughters and one son, the children all residing in San Francisco.

Big 4-Day Cooking School Will Open Here October 23

BRINGING NEW KITCHEN SECRETS

Miss Hester Heath, noted home economist, who proved very popular with Redwood City housewives in the Daily Tribune's free cooking school last year, is bringing some new kitchen secrets here October 23, 24, 25 and 26 at the McKinley School when the new sessions open.

GAY KITCHENS TO BE TOPIC

Free Tribune School
Opens Oct. 23rd
At McKinley

No "ifs" or "buts," of course you can cook. The call to the kitchen can be an invitation to romance and adventure, not a summons to drudgery and doldrums and the kitchen itself can be a gay, care-free place.

The housewives of Redwood City will have an opportunity to visit a truly happy kitchen a short two weeks from now when Miss Hester Heath, well known home economist, conducts the Daily Tribune's cooking school. The cooking school will open October 23 in the McKinley School and will extend to October 26.

Miss Heath is an ardent exponent of the theory that the happy housewife is the one who has found the excitement and thrill of mixing precise flour and eggs and dull white shortening and seeing them emerge from the oven's mouth a morsel fit for the king of the household. She maintains that the contented homemaker is the one who can see the connection between a mouth-watering, golden-hued lemon pie and keeping friend husband at home.

Long Hours Not Necessary
"It really isn't fair or necessary," Miss Heath said in discussing her philosophy of the happy kitchen, "to spend long, hot hours in the kitchen. The happy housewife is the one who spares herself and yet achieves appetizing, well-balanced and inexpensive menus. She can afford to be sunny and smiling."

Miss Heath will show the housewives of Redwood City how to accomplish just that, and her friendly chats are designed to show the beginner as well as the experienced cook how to cater to capricious appetites with an unbelievable variety of tempting and delicious recipes. She will demonstrate how to vary the common-place, every day dishes by the use of pattern or basic recipes, suggest easy and attractive ways to utilize left-overs and indicate how to make the most of kitchen equipment.

Miss Heath knows kitchens. The kitchen shelf a really royal road to romance. She can show the young housewife how a cheap cut of meat with clever cooking and canny seasoning can be made to taste like a filet mignon and how by varieties of sugar and spice and everything nice, dull-everyday dishes can be transformed into a feast that will captivate almost any epicure.

Miss Heath is sincerely interested in making "kitchen martyrs" out of former "kitchen slaves." The housewives of Redwood City will have a real opportunity to learn the latest quirks of kitchen science right up to the minute and beyond when this well known culinary artist conducts the Tribune's cooking school two weeks from now for Miss Heath not only has developed a keen insight into the problems of cookery but also has the ability to impart her knowledge to perplexed housewives. The Daily Tribune cordially invites you to attend its cooking school and learn how you, too, can have a happy kitchen.

30 Years Ago Redwood City

Mrs. T. McIntyre, wife of a prominent cattle man of Tulare, is visiting her brother, Mr. Liguori. Will and John Redolts were here from San Francisco last Saturday and Sunday, visiting their sister, Mrs. Carl Muller.

The local football team played a tie game at San Mateo last Sunday with the San Mateo team, the score being 5 to 5. The work on each side was raged, as neither team had much practice. Roy Curran scored a touchdown for Redwood and Mike Burk carried the ball over the line for the San Mateos. Lee Donelson umired the game and Fred Dickie refereed. Tomorrow the Redwoods will play the Alamos of San Francisco on the local gridiron.

Miss Dorris Pugh entertained over a hundred of her Stanford friends at her home in Wellesley park last night. The grounds were tastefully decorated with Chinese lanterns. The evening was very pleasantly spent with games and music.

MODERN DELIVERY TRUCK USED BY TERRITO'S

At the regular meeting of American Legion Auxiliary held in Legion Hall Tuesday night, Isabelle Lindquist, Charissa Ross and Dora Devol were elected as delegates to the San Mateo County Council of the American Legion Auxiliary. Irene Boone, Ethyl French and Elizabeth Lyon were elected alternates. In view of the fact that several officers and members were absent President Lindquist did not appoint her executive committee and chairwomen of the various activities for the year. Several members of the unit will attend the reception given in honor of Elizabeth Drendell of San Francisco, who is first vice national president of the American Legion Auxiliary. Mrs. Drendell will be honored by presiding at the installation of the county council for this term.

Mrs. Peter Bush entertained 14 of her mother's friends at a luncheon given on the lawn of her spacious grounds on Berkeley way. Most of the guests were from Piedmont, where her mother resides. The card party given by the local

Native Sons of the Golden West and Native Daughters of the Golden West was well attended, and the public is to be congratulated for its generosity in assisting in this worth while "Homeless Children" project.

George Whitworth, prominent attorney spoke at a Merriam luncheon at the Palace Hotel Wednesday. Mrs. J. W. Frost appointed Isabelle Weeden Lindquist chairman of the "Merriam for Governor" group in Menlo Park. In the very near future a speaker will be in Menlo Park to speak before this group. The successful candidates to be admitted as attorneys from this county were Lawson Driscoll, San Mateo; Lester McElwain, Francis J. Nelson and Harry Sullivan, all of Burlingame.

Fred E. Johnson Of Redwood City Missing 21 Days

A description of Fred E. Johnson, miner, 335 St. Francis street, missing since September 15, was broadcast over the state-wide police teletype system today, according to the San Mateo sheriff's office.

Johnson, despondent because of failure to secure employment, told his wife 21 days ago that he was going to seek work and on the evening of September 16 left for parts unknown, according to Mrs. Johnson. His car was discovered on the morning of September 18 out of gas and abandoned on the Bayshore highway near the San Francisco airport, and was towed to a garage.

The sheriff's office describes Johnson as aged 46, 5 feet 10 inches in height, weighing 155 pounds, with fair complexion, gray eyes, one artificial, and blonde wavy hair. He has four gold teeth, upper front. When last seen he was wearing a light gray hat, blue pants, blue shirt and high-top tan leather boots.

Erickson told Deputy District Attorney Richard O. Bell that he had on a new pair of shoes and they caused his foot to slip off the brake. He ran into Mrs. La Prairie's car, which was parked, out of gasoline.

Lambert 'Silver Cup' Speech On 'Redwood City' Given Here

Mayor Charles G. Lambert's five-minute "home town" speech on Redwood City which won the state contest and a silver cup at Santa Barbara at the state convention of the California Real Estate Association is printed here in full:

By CHARLES G. LAMBERT
Representing the Redwood City Realty Board

It is indeed a privilege to have an opportunity to tell this splendid assembly something of Redwood City—my home for over 30 years—and where, for all those years, I have continuously practiced my profession as Realtor.

Since the traditional days of the peripatetic Padres and the dashing Dons, the stage coaches and the ox-drawn freighter teams, Redwood City has been one of the outstanding centers of settlement and civilization on California's highways.

Redwood City is the county seat of San Mateo county, 25 miles south of San Francisco midway between that metropolis and the fertile valley of the Santa Clara—that Eden whose blossoms east their beauty and fragrance throughout the world, and whose fruits delight the palates of the peoples of every land.

In all the world, we believe, is there a spot which can boast of more perfect living conditions—the days with a maximum of sun, tempered by breezes carrying just a tang of the salt sea air—the nights laden with a cool freshness from the mountain tops to east and west. Those mountains of a thousand hues—of violet, purple and blue—protect us from the ocean fogs and the more vigorous winds of the wide sea spaces. We live sumptuously and joyously in Redwood City.

Redwood City is a combination of industrial activity and residential riches, built along the widening ribbon of the famous El Camino Real.

To the east is the industrial area, dotted with great plants. There is the vast project of Fort San Francisco, a scientifically planned deep water terminal having 10 miles of water frontage. There will be concentrated the raw materials to be manufactured into finished products for distribution by road, rail, air and water—a veritable incubator of population, of industry, of wealth and of enduring prosperity.

To the west of El Camino Real lies hundreds of acres, covered with magnificent oaks. Spacious, modern homes with gardens that delight the eye and warm the heart, make a fine foreground to the rise of hills which, in their turn, form a splendid background to the valley below.

Among these hills there is one towering 1000 feet, surmounted by a gigantic cross, with a natural bowl below. On Easter morning the multitude gathers there for a Sunrise Service. As one drives up in the dim dusk of the early morning it is an unique and impressive sight—the brilliantly lighted cross in the background, the pale moon slowly sinking out of sight behind it, and Old Sol peeping up above the misty line of hills in the east—a sight never to be forgotten.

Our educational advantages are exceptional; our grade schools unequalled, the Sequoia Union High School is admittedly one of the best in the world, with its magnificent buildings among the giant trees on a forty acre landscaped campus. At our door is Stanford University, two junior colleges, Notre Dame, Menlo School for Boys, Madames of the Sacred Heart and the Art Guild, where workers in the fine arts and sciences may—and do come from all parts of the world to acquire inspiration and express it there.

Looking into the future and visioning the full accomplishment of our potential resources, I see a real city where now nestles our little town of Redwood.

But Redwood City is not alone a dream of the future, ladies and gentlemen—it is a reality of today!

Fire Destroys 3 Acres of Brush, Trees on Creek

Fire raging on the north bank of the Tunitas creek near Pescadero last evening destroyed three acres of second-growth redwood and brush, according to County Fire Warden Bert Werder.

No buildings are situated on the property, which belongs to John Pitcher. The adjacent property belongs to Miss Elizabeth Kneese, former San Mateo county clerk.

Werder dispatched a crew to the scene at 6:15 p. m. when he received the call. That squad, with an SERRA crew stationed at Saratoga Gap, and made up of men from San Mateo, Santa Clara, and Santa Cruz counties, a total of 20 fire-fighters, had the fire under control at 9 p. m.

Stanford Youth And Co-Eds Hurt

Miss Jeanette Wolfe, 17, 2701 Middlefield road; Miss Beth Stevens, 19, 350 Manzanita street, Palo Alto, and Roy M. Drew, 20, Stanford University student, were taken to the Palo Alto Hospital for emergency treatment when their car overturned on the Bayshore highway near San Bruno early Sunday. Neither was seriously hurt. Drew said he became drowsy and lost control of the car. His home is in Southern California.

Salesman Arrested On Reckless Charge

SAN MATEO, Oct. 8.—Guido Sbragim, 35, salesman, 933 Laguna avenue, Burlingame, was today released on \$100 bail after he was arrested on a charge of reckless driving.

Safety Pennant Awarded

R. McHenry of San Francisco, left, manager of the Northern California division operating department of General Petroleum Corporation, and G. M. Stratton, branch manager at Chico, shown with 8-year Safety Banner awarded Chico District for an uninterrupted record of almost a decade without a single accident serious enough to cause loss of time to any workman in the district.

Northern California again figures in a remarkable accident prevention record, the Chico District of General Petroleum Corporation having just completed an 8-year period in which there was not a single accident sufficiently serious to cause loss of time to any workman in the district. This district embraces Chico, Oroville, Red Bluff, Redding, Corning, Colusa, Marysville, Yuba City, Mt. Shasta, Dunsuir, Yreka.

Few, if any, districts of the General Petroleum Corporation, marketers of Mobiloil and refiners and marketers of Mobilgas, have equaled this record and it speaks volumes for the precautionary measures taken by this company in the protection of its workmen.

While credit primarily is due to the Petroleum Corporation having just completed an 8-year period in which there was not a single accident sufficiently serious to cause loss of time to any workman in the district, this district embraces Chico, Oroville, Red Bluff, Redding, Corning, Colusa, Marysville, Yuba City, Mt. Shasta, Dunsuir, Yreka.

Added 'Bottleneck' Right-of-Way Gained

Acquisition of several additional parcels of right-of-way for the widening of the Daly City "bottleneck" of El Camino Real was revealed today when the state requested dismissal of condemnation proceedings against those lands.

A settlement has been reached concerning purchase of these properties, the state's request, filed by Attorney Hugh McKevitt, asserted. Condemnation proceedings, however, still stand against other properties listed in the suit brought by the state recently.

George Elwood Sullivan, 16-year-old boy who disappeared last week, was safe today at the Menlo Park home of his parents, Mr. and Mrs. G. W. Sullivan, after his father had brought him from Reno, Nevada.

The boy wrote to say that he was with relatives there, and his father went to get him, returning yesterday.

No matter what your illness or how many years you have doctored with other types of medicines and theories, do not give up until you have come to us. Consultation is confidential, private and entirely without cost or obligation. We will tell you frankly and simply whether or not Chinese natural herbs will help you.

In our 28 years of active, successful business in California we have had hundreds of men and women who have written the most convincing testimonials that it is possible to give. They have written these of their own free will because they are so happy and pleased at their recovery. Many of these people are prominent in their business life and do not wish their names used publicly but their own letters are on file in our offices. You are cordially invited to read these expressions of appreciation from cured patients who formerly suffered like you.

Winter usually makes most ills worse and yours will be no exception. Decide NOW to quit procrastinating about it... and come to our offices TODAY.

You will be treated with respect and confidence by our expert herbalists who are interested ONLY in restoring you to normal health through the use of the natural herbs that God put in the ground for the relief of all mankind and which the Chinese people have for 4000 years studied and experimented with until now they are the greatest health-giving property known to the world.

Whatever you are suffering from—liver, kidneys, stomach or blood troubles, or whether you are afflicted with catarrh, cough, asthma, bronchitis, headaches, neuralgia, dizziness, rheumatism, sore throat, skin disorders or female trouble—come to us. We also prove to you the superior effectiveness of the Chinese herbs. Don't think we can be of no service to you just because others could do you no good. Such cases are exactly what we are after.

which were recaptured the next

faded, faith in the belief was
shaken.
